**Audiophile "Plug & Play" turntable with easiest possible set-up and class-leading sound!**

If you thought that a turntable set-up is complicated like rocket-science, Primary proves the contrary. This good sounding beltdrive deck offers the fastest possible installation process because it comes

pre-adjusted out of the box. No further set-up is needed. Tracking force and anti-skating are carefully set. An acrylic dust cover is included. The turntable is available in matt black or matt white colour.

**A true HiFi stereo turntable!  
No plastic. No features. More sound.**
