Digital output: optical S/PDIF (Toslink)
Outboard power supply: 9V/300mA DC; 220 - 240V, 50Hz
Standby power consumption: < 1 watt
Power consumption: 100mA/9V DC
Dimension W x H x D (D with sockets): 120 x 32 x 100 (115)mm
Weight: 250 g without power supply

Bluetooth Box E: Wireless streaming at an absolute bargain price!

Smartphones and tablets offer the possibility to stream music wirelessly via Bluetooth. The Bluetooth Box E is the cost-effective solution to use this possibility in your own hifi system. Not only standard SBC codecs are supported, but also audiophile aptX with almost CDquality can be received. Pairing of mobile devices with the Bluetooth Box E is done fast and playback works reliably within a distance up to 10m with direct visibility. Up to 8 different smartphones and tablets are memorized. Analogue and digital connections to an amplifier or an external D/A converter are provided for ultimate flexibility.
